The Bill Payment Loop

Harris Computer Systems have been generating bills for over 30 years. We now endeavor to close the billing loop by enabling payments of the very bills we generate. Through a joint initiative with CollectorSolutions, Inc., Harris clients can now take advantage of expanded bill payment processing options that will result in:

- A convenient payment mix for your customers
- Up-to-date account information on your customers
- A reduction in operating costs for your organization

THE BILL PAYMENT LOOP

Features & Benefits
